

The Distinguished Dragon Award

THIS CERTIFICATE IS AWARDED TO

Student name

Bader Aljaberi

Grade

12

Describe how this student demonstrated the MKS mission.

I am delighted to present this award to Bader for his tremendous contributions in Technology. Bader stands out for his problem-solving mindset, leadership, and adaptability in applying Technology concepts to innovative projects. His curiosity pushes him to dig deeper into challenges, while his calm confidence encourages collaboration within the class. Bader's initiative and forward-thinking perspective highlight a student ready to shape the future through technology.
